## Szeged, Hungary. Egyetem.

In 1819, as a result of territorial changes, the Hungarian university of Kolozsvár (Kolozsvári Magyar királyi Ferenc József tudományegyetem) which had existed since 1872, was provisionally removed to Budapest, where it functioned during the years 1919/20-1920/21. In 1921 it was reestablished in Szeged, Hungary, as Magyar királyi Ferenc József tudományegyetem. In 1919 a Romanian university (Universitatea din Cluj) was established at Cluj (formerly known as Kolozsvár) in the buildings of the former Hungarian university of Kolozsvár.
